

BOTTLE & CAN DRIVE FUNDRAISER!

ARCTIC FIGURE SKATING CLUB

DATE: _____

PICK-UP TIME: _____

Help support skaters from the Arctic Figure Skating Club with your donation of empty returnable bottles and cans. Individual skaters, who train out of the Arctic Edge ice arena in Canton for the 2022-2023 season!

*** (You can simply leave your bottles out on your porch for pick-up during this time)**

Thank you for your support!

Instructions for Bottle & Can Drive Fundraiser

1. Print off the number of flyers you want to use in your neighborhood
2. Decide when you would like to do your pick-up day and time and fill in the flyer spaces with those dates/pick-up times.

For example, you could input “**Date:** Saturday, July 27” and “**Pick-Up Time:** 3-6 p.m.” This way, neighbors will know to either be home during that time or leave their empties outside on the porch for you to pick up. We leave these date/time spaces blank so you can have as much flexibility as possible with scheduling.

3. Leave flyers either in the mailbox or on the front door of neighbors’ homes. Generally, you will have best results if you give people about 5-7 days before your pick-up day.

Also, don’t forget that especially with summer parties and professional and college sports beginning in the fall, many people create tons of their empties over the weekends!

Returning your Cans & Bottles

Once cans and bottles are collected and returned, the funds raised should go in a sealed envelope with skater’s name clearly printed and the words “AFSC Bottle & Can Drive” on the envelope and delivered to the AFSC mailbox near the office. You are welcome to drop off as many envelopes throughout the season as you wish.

Some benefits of this fundraiser:

- Easy to set-up and suits individual families’ schedules
- Pure profit – no additional costs other than time to drop off flyers and pick up cans around the neighborhood.
- Allows skaters to participate directly in a fundraiser and helps them recognize their role in raising funds and supporting their own skating. We recognize and appreciate the sacrifices you make as parents for your child’s skating. The simplicity of this fundraiser makes it a great opportunity for your skater to “roll up their sleeves”, so to speak, and take a more active role!
